Performance

Features

- > **S Sports Suspension with Damper control***
The S-specific Sport suspension comes with a stiffer spring and damper setting, as well as shock absorbers and coil springs on the front and rear axles for a more direct contact with the road and sporty handling.
- > **quattro with self-locking differential**
With the quattro with self-locking differential, the mechanical differential is directly tied to the front and rear axles, allowing torque to be distributed in a ratio of 40:60 between the front and rear axles in normal drive condition, leading to a sportier, rear-biased handling. It also gives you real-time feedback to deliver a more hands-on driving experience.
- > **Start-Stop Switching**
The Start-Stop function helps reduce fuel consumption and CO2 emissions by switching the engine off when the vehicle is stationary and starts back as soon as the driver releases the brake.
- > **Audi Drive Select**
The Audi Drive Select comes as a standard with the Audi S5, and has a total of 4 driving modes to choose from - auto, comfort, dynamic and individual.

04

Exterior

Effortless grace

The Audi S5 combines a progressive design with a sporty look. It looks graceful in motion and equally so when parked. The standard S-specific elements on the exterior of the Audi S5 Sportback underscore its sporty design: S bumpers, radiator grille with honeycomb design in matt titanium black with inserts in matt aluminium silver, wide air inlets in the front and the blade in matt aluminium silver at the front. The sporty chrome trims around the windows and a large rear spoiler accentuate the car's aesthetic exterior even further.

Exterior

Features

- > **Black Styling Package***
Get the black styling package for your Audi S5, to make it stand out even more.
- > **High-Gloss styling package**
Catch some eyes and turn some heads with the Audi S5's high-gloss styling package. Add a glossy highlight to your car's bumpers with aluminium trim exterior mirror housing and more.
- > **Panoramic Sunroof**
Our large, glass panoramic sunroof provides front row seats to the glorious view of the sky from inside the car.
- > **Audi Matrix LED Headlamps**
The Audi Matrix LED Headlamps bring together LED light sources with precision optics for highly adapted light distribution. Dipped beam, high beam, daytime running lights, and a host of other such features light the path ahead for your Audi S5.

06

Interior

Invitingly Innovative

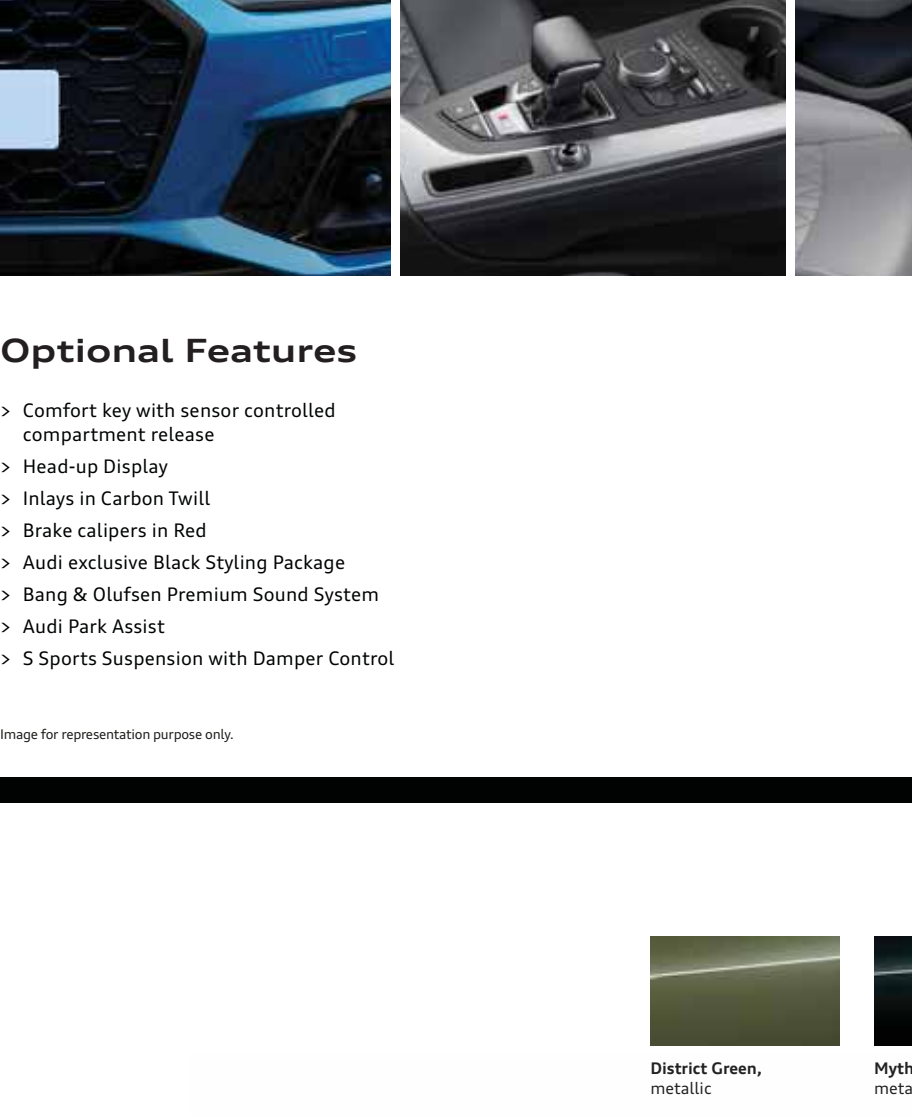

The interior of the Audi S5 Sportback is impressively sporty. Thanks to the standard inlays in matt brushed aluminium and the flat-bottomed leather steering with multifunction plus with S emblem. The horizontal design elements, high-quality materials and state-of-the-art infotainment platform create a special sense of space.

07

Interior

Features

- > **Front Sports Seats**
The Audi S5's front sports seats are stylish and extremely comfortable, coming in soft, premium Alcantara/Leather upholstery. The seats are electronically adjustable, while also being smart enough to memorise the driver's adjustment preferences.
- > **3 Zone Automatic Air Conditioning**
Get the temperature of your Audi S5 according to your preferences with the 3 Zone Automatic Air Conditioning, with air temperature controls in the front for the driver, centre console, and in the rear, too.
- > **Bang & Olufsen Premium Sound System***
A state-of-the-art sound system, the Bang & Olufsen Premium Sound System is a class apart. With 19 loudspeakers all over the car and the ones in front illuminating, a 755 W, 16-channel amplifier, and a unique three-dimensional sound reproduction thanks to the Symphonia technology, you can now rock in the Audi S5 to your own beat.
- > **Contour Ambient Lighting**
With the Contour Lighting Package, the Audi S5 greets you with a soft ambient glow as soon as you enter it. Sprucing up the centre console, the glove compartment and even the footwell and the underside of the door.
