### STUNNING LOOKS. SUPERIOR PERFORMANCE.

The Audi RS 7 Sportback sets new standards for automotive aesthetics. But what sets it even further apart is the sensible use of design to boost performance. Its elegant broad stance is accentuated with the stunning HD Matrix LED headlamps with the Audi Laser Light, which turns the darkest night into the brightest day. And the sporty, adaptive Electric Rear Spoilers that extends and retracts, intuitively.

### LIGHTING FEATURES

The beautiful Matrix LED headlights of the Audi RS 7 Sportback, illuminates the roads superbly without blinding oncoming drivers. Thanks to its intelligent function that switches off or dims individual LEDs that masks out the vehicle ahead, while perfectly illuminating the zones around and between it.

With the optional Audi Laser Lights, the range of the high beam effectively doubles while still retaining the safety features. Meaning you can light up the night, without hassling oncoming traffic.
